## Vineyard

Bloom and pollination came through almost perfect and we can see future clusters. The Harvest looks good and the hot and dry weather helps to keep vineyard healthy.

## Sand Castle Building

We are slowly adjusting to our new environment. It is a memory lane to go over 22 years of files and paper work to find out what stays and what goes. 90% is already done. Trailers are gone and everyone can enjoy the view of the river.

## Tasting in France

Our Riesling Private Reserve 1999 has taken everyone by surprise in southern France on the outskirts of the Bordeaux Region. It was a boost of confidence that this small Pennsylvania Vineyard can produce wines competitive with the worlds best.

## Entrance

We have a new gate and pillars by the entrance on River Road. Pretty soon after 20 years the big banner will come down and new landscaping will take the place.

## Good News

Once again Sand Castle wines will shine among the stars of Philadelphia Freedoms Tennis match. Complimentary tickets are offered to you together with VIP Hospitality passes. All games are at 7:05 pm. First come first serve! Email us with your 1<sup>st</sup> and 2<sup>nd</sup> choice! [winesand@epix.net](mailto:winesand@epix.net)
