40th Anniversary for Joe and Magdalena!

Dec 17th 1969 5:30 pm my wife and I stepped on US soil as young immigrants, no speak English. My brother Paul and his wife picked us up at Kennedy Airport. They were here already 9 months and had jobs, apartment, cars and most important they spoke English!

It is nice to reflect back with appreciation and gratitude how many opportunities were given to us by this country. We can not express enough thanks to all those people which helped us throughout the years, they will be in our hearts forever.

Vineyards

Pruning has started and will continue every day, weather permitting, until the work is done probably sometime in March.
