## Vineyards

Our two days of rest are behind us (Christmas and New Years) and now we can look forward to a new and productive year. The next few months we will concentrate on the repairs of equipment, trellis, fence and drainage. 20% of the pruning is done and anyone desiring Pinot Noir or Cabernet Sauvignon cuttings should get them now before we pull them out and burn them.

## Winery

2006 Cabernet Sauvignon is available now. The new release is Claret a sweet red. Pilot testing throughout the autumn last year shows that the wine is well liked and makes a great compliment to many vegetables, pasta and fruit dishes. It is especially good for creating Sangria.
